

Terms of Use – Invite 3 friends & get up to £40 (one-time use booster bonus)

How does the program work?

- 1) During the promotional period 10th July 2024 to 27th December 2024 inclusive your “Give Me £5” link will include a booster bonus of £25 when 3 of your friends opens a new Multi-Currency Account and each deposits a minimum of £500. (Your friend is not required to maintain a £500 balance for the entire duration of the promotional period).
- 2) Each time your friend opens a Multi-Currency Account and deposits £500, you’ll see a token appear on your banking app. Maximum 3 tokens will be obtained.
- 3) Once all 3 friends have deposited £500 and you have received 3 tokens, you’ll qualify for an £25 referral bonus (which will be credited into your Multi-Currency Account before the next day during midnight).
- 4) Once you have collected the £25 referral bonus, the Booster Bonus promotion (this program) will close, and your link will change back to the original “Give Me £5” program.
- 5) This promotion is in addition to the “Give Me £5” program. Therefore, if your same 3 friends were to maintain a balance of £500 or more for a period of 3 months, both you and your friend would receive £5 each under the “Give Me £5” incentive. You could then earn up to £40* for referring 3 friends!

When your friend becomes our customer during the promotional period, they will also be eligible for the booster bonus of £25 when they refer 3 friends to apply a new Multi-Currency Account and the account is being approved during 10th July 2024 to 27th December inclusive.

* Total amount you can earn is £40 (£25 from this booster bonus program, plus 3 times of original “Give Me £5” program, which is £5 each). To be eligible for your “Give Me £5” reward, your friend needs to keep a minimum balance of £500 in their new Multi-Currency Account for a minimum of 3 months, see “Give Me £5” promotion for further details.

The following transactions will **NOT** qualify for this booster bonus program:

1. If your friend doesn’t use your unique referral link for their new Multi-Currency Account.
2. If your friend’s application does not qualify for a Multi-Currency Account.
3. If your friend deposits less than £500 into their new account during the promotional period 10th July 2024 to 27th December 2024 inclusive.
4. If your friend’s account has been approved outside the dates of the promotional period 10th July 2024 to 27th December 2024 inclusive.

6. If your friend’s deposit is an internal transfer from another iFAST Global Bank Multi-Currency Account.
